2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

The utility company was granted an 18% increase in 2010 in addition to rate increases in prior years. The company has always been aware of age + condition of infrastructure + should have planned on going improvements with the funds provided by rate increases. The increase is unreasonable, and burdensome to me as a resident. I think we should charge water service - phase into Ft Mill or Rock Hill.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
